DETAILED ACTION

Response to Arguments

Applicant's arguments filed 10/2/06 have been fully considered but they are not persuasive. The response submitted by Applicant does not overcome the rejection made by Examiner in the last Office action.

The rejection made over claims 43-46, under 35 U.S.C 102(e) in the last office action is hereby withdrawn in view of Applicant's arguments.

However, the rejection made in that

Claims 43 and 46 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

The rejection is maintained for the same reasons as stated in the last office action.
